SPANISH TREASURE found in the Caribbean by the famous deep-sea diver, Lt. Harry E. Rieseberg (inset) is shown in the above illustration for his forthcoming book, **The Sea of Treasure.** The closest the author comes to identifying the spot where he raised some 34 gold bars plus doubloons, pieces of eight and other coins, is "off a little reef-guarded islet of Gorda Cay" in the Bahamas where the Spanish galleon, El Capitan, sank in the 17th century. The Van Nuys, Cal. adventurer is also author of **"I Dive for Treasure,"** which is now being brought out as a pocketbook by Popular Library, Inc.
